Responsibility of Riders & Guests.

The Old Coots On Scoots Organization require safety and courtesy from all members and guests during all rides and meetings. Participation in any ride or meeting is strictly voluntary. Each rider is responsible for riding his or her own ride. The ride leader or organizer is not responsible for any actions of the members or guests. No rider is asked to ride in a unsafe manor and doing so will cause you to be held strictly accountable for your own actions. All dues or donations are renewable yearly, in January. Memberships must be paid yearly to stay on the active member lists. Members receive Birthday and Christmas cards yearly, if you are an Active member.
